Friday 21st June (09:00-17:00)
Northampton Square
Free bike maintenance
Find out more.

I spend time going out with my friends
free time?
What encouraged you to become an
environmental champion?
What does your job involve?

I like to get outside as much as I can –
free time?

I think it is really important for
schools and colleges in disadvantaged
areas about the benefits of university.
Easter 2012.

Student and staff member cycling to
work. Think how many buses could get
taken off the roads if we did!

I really worry about what the human
race is doing to the planet, basically! I

Expanding the Green Impact scheme at City
Green Impact

Stakeholder engagement in City’s continued successes is
in other Green Leagues. The Green Impact scheme, which is
part of the United Nations Sustainable Development Goals
and the United Nations Race to Zero initiative, provides a
comprehensive and independent assessment and ranking of
universities in the League, which was unveiled in

The People & Planet Green League 2013. City was ranked joint
first in the People & Planet Green League 2013. City was ranked joint
first in the People & Planet Green League 2013.

The Point Newsletter - June 2013

National Bike Week 2013
Northampton Square
From levels beginner to advanced.
Free cycle training sign-ups

Environmental Management at City
City’s Environmental Sustainability Project operates the
University to seeking the environmental impact in a number
of different areas, such as carbon emissions, energy use,
water, waste and procurement. The University has
already committed to the Green Impact scheme, which is
now linked to the British Universities and Colleges
Charitable Trust’s (BUCCT) Sustainability Academy and
the People & Planet Green League.

If you could change one thing at City to make it more ‘environment-friendly’, what would
that be?

What are you doing to enjoy your free time?
What can you do to encourage others to do the same?

How long have you been at City?
Do you have any special memories?
