REGULATION 7
EMERITUS TITLES

1. Senate may award the honour of the title of Professor Emeritus, Fellow Emeritus, or any such other honorary titles as may be approved by the Senate to any academic member of staff of City, on or after his or her retirement, in recognition of their

- Exceptional academic achievement and/or exceptional service and commitment to the institution.

Normally, the proposer will be able to demonstrate that the recipient will be continuing their engagement with City and this will add value to the institution.

2. Nominations for these titles will come to Academic Governance Committee from either:

- A Board of Studies following a recommendation by a Dean; or
- The President, who can nominate a Dean, Deputy President and Provost or Vice-President without going through a Board of Studies; or
- The Chair of Council, who can nominate a retired President.

3. Academic Governance Committee will review the nominations and decide whether to make a recommendation for the award to Senate.

4. Holders of Emeritus titles will be required to sign a contract with the University setting out the rights and obligations of the role. Any other privileges relating to facilities and resources will be determined by the Dean or the President. An Emeritus title holder should not normally hold, at the same time, a visiting, research or other paid appointment with the University; any payment to an individual holding an emeritus title must be approved by the President.

5. Senate may decide to suspend or remove the title from the holder of an Emeritus position on application of the President.
