A.4 CHAIR OF COUNCIL

The Chair of Council acts as Rector in the absence of the Rector or in the event of a vacancy in that post.

The Chair of Council is an ex-officio member of all committees of Council except Audit & Risk Committee but a regular member of the Corporate Governance & Nominations Committee and the Remuneration Committee.

The relationship between the President and the Chair of Council is vitally important. The Chair of Council should provide leadership and support to the President. Both should ensure that the relationship is constructive but challenging, recognizing the proper separation of governance and management and the checks and balances imposed by the different roles each has within City, University of London’s Charter and Statutes.

The Chair of Council will appraise the performance of the President and the College Secretary and make recommendations to the Remuneration Committee on their pay, terms and conditions and bonus.

The Chair of Council appraises all Council members annually and is appraised by Council. The Deputy Chair of Council provides feedback to the Chair of Council from Council.

The Chair of Council ensures that the Council determines the nature and extent of the significant risks that the institution is willing to embrace in implementing its strategy and ensures that Council members can operate effective oversight.
