

President's Awards

Team of the Year Award

Notes for submissions

The award is designed to recognise and reward superior performance by a team. The award reflects the complex environment of the University and reinforces the collaboration and partnership necessary to achieve key goals.

The winning team will demonstrate:

- Operational excellence in work productivity, efficiency and quality
- Pronounced customer service and awareness of responsibilities to other secondary stakeholders
- A positive impact on the Department, School or University.
- Use of innovative processes or procedures that impact the University community in a positive manner
- Effective collaboration amongst all the team-members
- An overall standard of excellence.

Please note that self-nominations are permitted in this category.
