

2TG Student Open Day

Monday 4 November 2019

2TG is offering students the opportunity to learn more about Chambers at an Open Day on Monday 4th November 2019. We hope that the day will give those attending a good introduction to 2TG and insight into life at the Bar more generally. The day is aimed at those applying for pupillage in the current application round and who have not done a mini pupillage at 2TG.

2TG is a leading general civil and commercial set of chambers consisting of 60 barristers including 14 silks. We are a friendly and cohesive set, and believe that chambers should be more than a place to work. We pride ourselves on the strong relationships that exist between members of chambers practising in a wide variety of areas. Across the range of work that Chambers covers, one feature of our culture stands out above all others: we are all committed to excellence. In a nutshell, we are passionate about being the most sought-after advocates in our individual fields. It is this passion for excellence that unites us and makes 2TG one of the most exciting, vibrant, and ambitious chambers at the modern Bar.

Members of Chambers practise in a range of different commercial and common law areas, including insurance, private international law, personal injury, contractual disputes, commercial fraud, professional negligence, sports law, product liability, clinical negligence, employment, and property damage.

2TG will be recruiting 2 to 3 pupils in the coming Pupillage Gateway round. The current pupillage award is £70,000. Details of the award and the application process are on our website.

The Open Day, which will take place at 2TG from 6pm to 8pm, will involve:

- Presentations from members of Chambers and clerks about practice at the Bar;
- Tips on applying for pupillage;
- Opportunities to ask questions on an informal basis.

Unfortunately, places are strictly limited. If you are interested in attending, please send an email to the Pupillage Administrator at pupillage@2tg.co.uk. We will confirm whether you have got a place by email. **Places will, subject to the eligibility requirements below, be allocated on a first come, first served, basis.**

Please note our eligibility criteria for attending the Open Day:

- Must have obtained, or be predicted to obtain, a minimum of 2:1 at degree level
