**Studying Introduction to Health Sciences at City**

This Online Chat session is for prospective students interested in studying our Introduction to Health Sciences course. The session will be run by current students and academic staff, giving you the opportunity to ask questions about your chosen course and life at City, University of London. As this is a typed chat group session, you will be able to see the answers to questions asked by other applicants.

Thank you for joining us for today’s Online Chat session. This session is for applicants to our Introduction to Health Sciences course at City, University of London. This session runs from 15:30 - 16:30 (GMT). This is an open chat session for you to ask any questions you have regarding studying and life at City. During the session we may also share videos, polls or documents relating to your course.

To ask a question, please type it in the chat box. Your question will not post straight away - it will be sent to our Moderators who will type an answer back. Once their answer is complete, it will be published with you question. Please be patient as it might take some time for us to respond to your question.

Hi does this chat include optometry?

Hi Deqa, This chat is for Introduction to Health Sciences. We have an Optometry online chat on Wednesday 20th November at 3pm. You can register here - https://meetandengage.com/cityuniversityoflondon#event-d0m5c6k6

**City's Online Events for Undergraduate Students**

Welcome to City, University of London’s online events page; where you can chat live to our teams to find out more about undergraduate study with us. Our commitment to academic excellence, focus on business and the professions, and central London location, are just some of the reasons for studying at City.
