Virtual Postgraduate Open Evening Guide

Wednesday 2nd June 2021
5pm to 7pm
Welcome to City

City, University of London is a unique place to study. With skill and dedication, we have been delivering education, research and enterprise that transforms the lives of our students, our community and the world for over a century.

We are delighted to welcome you to our Virtual Postgraduate Open Evening. City, University of London is a leading global university and a member of the University of London. We have a strong tradition of expertise in postgraduate education and are the only university in London to be both committed to academic excellence and focused on business and the professions.

Our Virtual Open Evening is a great way to learn more about our postgraduate courses and discover all the benefits of studying at City. In this guide you will find links to all the pre-recorded talks, details about student services and instructions on how to join the live chat and talk sessions on the day.

We hope the event will help you make an informed choice and we look forward to welcoming you among our postgraduate students.

We have recently launched a virtual tour of the main buildings on our campus. Take a trip through City online and explore the University’s general areas, Schools and sports facilities ahead of the Virtual Open Evening.

View the virtual tour here.

Chat at the Virtual Open Evening

The event will take place using UniBuddy live chat rooms. There will be a main chat room for each of our academic Schools. Within the School chat rooms, you will find separate live chats for each of our courses represented at the event. We will also have a main chat room where you can speak to members of staff from some of City’s student services and our Student Ambassadors about their experience at City.

You will be able to join all of the chat rooms during the event, even if you registered your interest for a course in only one of the Schools. You will just need to click on the required link in order to enter the chat room.

If you are unsure about how to navigate the event or where the courses are situated, please email opendays@city.ac.uk.

How we support our students

Listed below are the student services which support City’s students on a daily basis. You will be able to speak to representatives from some of these services during the Virtual Postgraduate Open Evening.

**Links to chat rooms**

- School of Arts & Social Sciences
- The Business School (formerly Cass)
- School of Health Sciences
- The City Law School
- School of Mathematics, Computer Science & Engineering
- Student life and support

**Accommodation**

City offers a variety of accommodation options and support services for postgraduate students. The Accommodation team, based in the Student Centre, can assist you to find suitable accommodation in our halls of residence – located within easy traveling distance from the main campus – or in private accommodation for the duration of your postgraduate study.

**Library Services**

Library Services offer a huge range of resources to support your studies at City. Our printed collections are complemented by a vast portfolio of online resources (e-books, e-journals and specialist databases).

Dedicated help is available from our specialist staff in person and online.

**The Student Counselling, Mental Health and Accessibility Service**

This service provides counselling and guidance around mental health, disability and neurodiversity (dyslexia, dyspraxia, ADHD), as well as specialist tutoring support for students in receipt of DSA mentoring.

**International Student Recruitment team**

Choosing a university and studying overseas may be one of the biggest decisions you will make, but you are not alone in this. The International Student Recruitment team is here to advise you about studying in the UK at City.

**Student funding**

The student funding team assist and support students with student loans, scholarships, bursaries and how to manage finances.

**Careers and Employability**

The Careers and Employability Service supports City students from day one. Our Service provides one-to-one careers appointments, skills sessions, employer events and access to psychometric tests and interview software. In addition to this, you can also build your skills and experience while studying at City through part-time experiences offered through our on-campus temporary recruitment agency, Unitemps or our volunteering service.
In addition to the live chat rooms, some courses will also host live sessions on Microsoft Teams, which you can join on the day. During these sessions, you can engage with City’s academic staff and hear about the courses in more detail. The schedule of these live sessions is listed here. Please note that some talks may run over the advertised time.

To join a session during the event, select the session title in the schedule below at the relevant start time.

You can join the sessions from your browser without downloading the Microsoft Teams application.
