1. Introduction

- 1.1 These terms and conditions ('Terms and Conditions') represent an agreement between City, University of London ('the Institution', 'City' or 'we') and you, a student (whether prospective or current) on a programme of study at City ('you').
- 1.2 Please be advised that these Terms and Conditions set out the basis on which we will provide educational services to you once you enrol on an undergraduate, postgraduate taught or postgraduate research programme (each a 'programme') at City.
- 1.3 A legal contract is formed between you and the Institution when you accept the Institution's Offer of a place on a programme.
- 1.4 It is important that you read these Terms and Conditions with care and understand their content before accepting your Offer.
- 1.5 Should you have any questions about these Terms and Conditions or require the Terms and Conditions and associated documents in an alternative format, please contact the Quality and Academic Development Department at termsandconditions@city.ac.uk

- 2.2 These documents, which comprise our 'Terms', contain the Institution's requirements in particular in relation to:
- a. admission, registration and attendance;
- b. deposits, payment of fees and other charges;
- c. academic progression, conduct, assessment and awards;

- g. use of the University's services and facilities including those relating to IT, the Library and CitySport.
- 2.3 In the event of any conflict between a provision in these Terms and Conditions and the documents forming part of the Contract, these Terms and Conditions shall take precedence. The documents which form part of the Contract (as described in Clause 2.1) may be accessed at General Information. Alternatively, copies of the documents which form part of the Contract can be obtained upon request from the Quality and Academic Development Department at termsandconditions@city.ac.uk
- 2.4 Clause 2.3 shall not apply to any professional bodies' Terms and Conditions and any visa or other immigration conditions imposed by UK Visas and Immigration (UKVI) which takes precedence over these Terms and Conditions. Some programmes may require you to agree to the terms and conditions of professional bodies or third party providers, such as industrial partners or funding bodies. Details of these requirements are set out in the programme information on your programme's webpage for the year of your entry. By agreeing to these Terms and Conditions, you also agree to abide by any relevant professional bodies' terms and conditions, should they relate to your Offer.
- 2.5 If you require a visa to study at the Institution it is your responsibility to obtain the appropriate visa before starting your programme. By agreeing to these Terms and Conditions, you also agree to abide by the terms and conditions of your visa throughout the course of your studies at the Institution.
- 2.6 If you do not register within 14 days of the start of the term that your programme begins in, the Institution reserves the right to refuse to register you and withdraw you from your programme (without liability). Students who are not registered are not entitled to attend classes or participate in assessments for any modules.
- 2.7 Please make sure that you familiarise yourself with these Terms and Conditions and the other documents which make up the Contract between us. Failure to comply with the requirements of the Contract could result in the Institution taking action against you under relevant procedures (for example those relating to academic conduct or progression, registration and attendance, student misconduct, fitness to practise, fitness to study or fees) and could lead to the Institution terminating your registration or revoking your award.

3. Your responsibilities and aspirations

- 3.1 City's students are at the heart of the Institution's commitment to academic excellence for business and the professions and are supported to successfully achieving positive academic and professional goals. Our Student Charter (We are City), has been developed with staff and student input and outlines our mutual responsibilities and aspirations.
- 3.2 Students at the Institution act as ambassadors for City at all times on campus, in our community and in any public forum. You must behave responsibly and maintain standards of good conduct at all times as well as comply with the principles of dignity and respect and familiarise yourself with the Institution's <u>Student Charter</u>. Anti-social behaviour or any other form of misconduct, on or off campus and however minor, can negatively affect the good order of the Institution and disrupt the positive learning and wider experience of others.
- 3.3 Please be aware that if you do not act in accordance with this Contract, or if you do not meet our expectation that you will maintain a standard of conduct which is not harmful to the work, good order or good name of the Institution, we may take disciplinary action against you, under Senate Regulation 13: Student Disciplinary Regulation. One of the possible outcomes of such an action is that your Contract with us may be terminated and you may be removed from your programme, have your Offer to study at the Institution withdrawn or the revocation of your award.

4. Making a complaint

- 4.1 City welcomes comments on your experience as a student, an Offer-holder or as an applicant who wishes to study at the Institution and looks to make improvements where we can. If there is something that you are unhappy about, please tell us immediately so that, if possible, we can put it right.
- 4.2 If you are a current student and wish to complain about an action or lack of action by the University, or any aspect of our service, you may do so using the Senate Regulation 26: Student Complaints Procedure.
- 4.3 If you are a current student and have followed the Institution's Complaints Procedure to completion but remain dissatisfied, you have the right to make a complaint to the Office of the Independent Adjudicator for Higher Education (OIA).
- 4.4 If you are an Offer-holder or applicant to the Institution and wish to complain about an action, lack of action by the Institution or appeal an academic decision made by the Institution, or any aspect of our service, you may do so using the Admissions Complaints and Appeals Procedure contained within the Institution's Admissions Policy.
- 4.5 These procedures have been produced to help the Institution resolve any concerns you may have as promptly, fairly and amicably as possible.

5. Applications

- 5.1 Your place at the Institution will be subject to you meeting the terms of your Offer and/or satisfying all necessary legal and other requirements to study here on your chosen programme (for example in relation to health checks and immigration clearance).
- 5.2 It is your responsibility to ensure that all of the information you provide to the Institution (and/or to UKVI if you require immigration permission to study at the Institution) is true and accurate. If it is discovered that your application contains material inaccuracies or fraudulent information, or that significant information has been omitted from your application form, the Institution may withdraw or amend your Offer, or terminate your registration at the Institution, according to the circumstances, without liability to you.
- 5.3 The Offer the Institution makes to you will be conditional or unconditional. If your Offer is conditional, the Institution will set out the conditions which you will need to fulfil in order to be admitted onto your chosen programme. For example, if your first language is not English, your Offer may be conditional upon you also passing an English language test, as specified by the Institution. Similarly, if you are an international student, your Offer may be conditional on you obtaining the necessary visa from UKVI and in some instances, applying for Academic Technology Approval Scheme (ATAS) clearance to study at City. Further details regarding the ATAS are set out in Clause 7 below.
- 5.4 If you have not fulfilled the conditions of your Offer before the date notified to you in your Offer or any other date notified to you, the Institution reserves the right to withdraw your Offer.
- 5.5 You will be required, at the request of the Institution, to provide satisfactory evidence of your qualifications (including English language qualifications if required) before admission. Failure to provide such evidence to the Institution's reasonable satisfaction may result in the termination of your Offer, the revocation of your registration as a student of the Institution and the termination of the Contract.

6. Disclosure of information

6.1 The Institution may amend or withdraw your Offer of a place or terminate your registration if it determines that you have made any fraudulent, false or misleading application or statement to the University, or if you have failed to disclose relevant information to the Institution or have produced falsified documents, whether in the process of your application or whilst on your programme. In such cases the Institution may take action against you without liability to you under its Admissions Policy, Fitness to Study Policy, Student Disciplinary Regulation and Fitness to Practise Policy or other relevant policy or procedure.

7. Immigration

- 7.1 If you need to be sponsored under the Points Based System for a Tier 4 (General) Student Visa, the Institution must issue you with a Confirmation of Acceptance for Studies (CAS). The Institution has policies and procedures in place to certify that it complies with its immigrations obligations as a Tier 4 Sponsor.
- 7.2 Please note that the Institution is under no legal obligation to sponsor you and will exercise caution when issuing a CAS so as to not risk its status as a Tier 4 sponsor.
- 7.3 The Institution is required by law to verify that you have the correct immigration permission to study at City. As part of the Institution's recordkeeping duties, if you are a student from outside the EEA, you will need to present your original passport and one of the following:
 - a. current Tier 4 visa (30 day vignette and BRP card) sponsored by the Institution; or
 - b. another type of visa that permits study in the UK; or
 - c. evidence of a visa application (Post Office receipt, letter from the Home Office etc.). Please note the Institution cannot accept a letter from a Solicitor as evidence of a visa application.
- 7.4 Further information regarding this verification process can be found the Institution's <u>Visa and Immigration Advice</u> webpages. You will also be required to provide your contact details (including UK address, telephone number and/or mobile telephone number). Please note that if you are here on a Tier 4 visa it is your responsibility to let the Institution know when your contact details change. This is because UKVI require the Institution to keep a history of a sponsored migrant's contact details.
- 7.5 If you fail to demonstrate that you have the correct immigration permission, you will not be registered on your programme by the Institution and you will be liable for any personal costs incurred.
- 7.6 On occasion, the Institution will need to contact UKVI to clarify details on outstanding visa applications and previous immigration history. By accepting the terms of the Contract, you consent to the Institution contacting UKVI on your behalf and for UKVI to release such information to the Institution.

- 7.7 All international students subject to existing UK immigration permissions, who are applying to study for a qualification in certain sensitive subjects, must apply for an ATAS certificate before applying for a visa. If you are a student who is required to apply for an ATAS certificate, you will be notified in your Offer and gaining this certificate will be a condition of your Offer by the Institution. Please note that, where relevant, it is your responsibility to renew your ATAS certificate in the event of any changes to your programme.
- 7.8 Should you wish to take up paid employment, and are permitted to do so under the terms of your visa, you must take responsibility for ensuring that the hours you work do not exceed those allowed by law during term time.
- 7.9 All students who require a visa to study at the Institution must comply with the terms of their visa as well as the requirements contained on the Institution's <u>Visa and Immigration Advice</u> webpages at all times during a student's period of study at the Institution. They must also refer to the Institution's <u>'Tier 4 students' responsibilities booklet'</u>. By accepting your place on your course at the Institution you are confirming that you have read this relevant information and you agree to comply with all listed requirements.
- 7.10 Non-compliance with the conditions of your visa could result in action being taken against you by the Institution under Senate Regulation 13: Student Disciplinary Regulation, termination of your registration and withdrawal of your sponsorship.
- 7.11 If you do not re-register or register within 14 days of the start of the term that your programme begins in, the Institution reserves the right to refuse to register you and withdraw you from your programme (without liability). Students who are not registered are not entitled to attend classes or participate in assessments for any modules.
- 7.12 Please note that if you choose to withdraw from your studies or if your registration is terminated by the Institution, this could affect the validity of your visa and your ability to enter, study, work and/or remain in the United Kingdom.
- 7.13 If you do not have valid immigration permission to remain in the UK, the Institution will have no choice but to terminate your registration on your programme. In the event that your application for a Tier 4 visa is refused, the Institution will not sponsor you again for a CAS.
- 7.14 You must notify City's Visa Compliance Team at wisacompliance@city.ac.uk immediately if there are any changes whatsoever to your immigration status at any time before or after registration and during the course of your studies.
- 7.15 Please note that the Institution is under a legal duty to report to the UKVI any student who (amongst other matters) does not register on their nominated programme, a student who is absent from their programme without permission, a student who chooses to discontinue their studies or changes their programme, a student whose

registration is terminated by the Institution and/or a student who is in breach of their visa conditions.

- 7.16 For further information in relation to immigration issues which could affect you please visit <u>Tier 4 (General) Student Visa Information website</u>. For immigration related questions, please contact <u>visaadvice@city.ac.uk</u>.
- 7.17 UKVI's rules do change from time to time. - 16.1 Once you have accepted an Offer, you have a legal right to cancel the Contract at any time within 14 days of the date that you formally accepted your Offer.
- 16.2 In order to cancel the Contract in accordance with Clause 16.1, you must notify the Institution in writing within the timescales referred to in Clause 16.1 and you may give the Institution notice by completing the <u>cancellation form at Schedule 1</u> of your Offer letter.
- 16.3 You should exercise your right to cancel by contacting us at or sending the cancellation form at Schedule 1 to:

Admissions Department,
Student and Academic Services
City, University of London,
Northampton Square,
London, UK
EC1V OHB
Or
admissions@city.ac.uk

16.4 To discuss your cancellation, please contact the Admissions Department on 02070408716

16.5 If you have made any payment under the Contract prior to the date of cancellation of the Contract then the Institution will provide you with a full refund as soon as reasonably possible but in any event within 14 days of the Institution receiving notice of your cancellation.

17. Student Protection Plan

- 17.1 When you accept an offer and register for a City degree programme, we fully expect to be able to deliver that programme to completion of your studies. However, in rare circumstances, factors may occur that mean this delivery will no longer be possible.
- 17.2 City's <u>Student Protection Plan</u> sets out what you should expect to happen should your chosen programme or the Institution close including arrangements that would be put in place to enable you to complete your studies.

18. Changes to your taught programme of study

18.1 This Clause relates to changes made to taught programmes. If you are on, or an applicant for, a doctoral (postgraduate) programme, please refer to Clause 19.

18.2 Withdrawal of a programme prior to registration

18.2.1 The Institution will use all reasonable endeavours to deliver your programme as described in your Offer. However, the Institution may in some circumstances be required to cancel the programme, for instance if there are insufficient enrolments, or staff loss. If you have received an Offer for any programme described in the prospectus which the Institution discontinues prior to you registering at the Institution, the Institution will notify you as soon as possible and will take reasonable efforts to provide a suitable replacement programme for which you are qualified. If you do not wish to take up the replacement programme provided by the Institution or if the Institution is unable to provide a suitable replacement programme, you may cancel the Contract and withdraw from the programme without any liability for tuition fees (even if the cancellation period referenced in Clause 16.1 has expired).

18.3 Programme changes between Offer acceptance and your registration

18.3.1 Due to the period between you accepting your Offer and enrolment, where there is no material detriment to you, we reserve the right to vary minor elements of your programme from that described in your Offer, in order to improve the quality of educational services, in order to meet the latest requirements of a commissioning or accrediting body, in response to student feedback, respond effectively to , or as a result of academic staffing changes; changes to the Institution's regulations; a lack of student demand for certain modules; or factors beyond the Institution's reasonable control. The Institution will use all reasonable endeavours to ensure that changes are kept to a minimum, but if we are required to make any material changes to the terms of the Contract or your programme (as described in your Offer) before you register at the Institution, the Institution shall bring these to your attention as soon as possible.

If you reasonably believe that the proposed change will prejudicially affect you, you may either cancel the Contract and withdraw from the programme without any liability to the Institution for tuition fees (even if the cancellation period referenced in Clause 16.1 has expired) or transfer to such other programme as may be offered by the Institution for which you are qualified.

18.4 Programme changes after your registration

- 18.4.1 Following suitable consultation with affected students, the Institution may vary elements of your programme from that described in your Offer once you are registered on the programme for the same reasons as set out in Clause 18.2.
- 18.4.2 The Institution will undertake suitable consultation with students where it proposes to make a change to your programme that materially changes the outcomes of, or a large part of, your programme (such as the nature of the award or a major change to the curriculum). If the Institution makes such a material change (in the Institution's reasonable opinion) which you reasonably believe will prejudicially affect you, you may either cancel the Contract and withdraw from the programme without any liability to the Institution for tuition fees or transfer to such other programme (if any) as may be offered by the Institution for which you are qualified.

18.5 Withdrawal of a programme after registration

- 18.5.1 If after you have registered as a student of the Institution, the Institution is forced to discontinue your programme as a result of a Force Majeure Event (as defined in Clause 21.3), the Institution will notify you as soon as possible and use reasonable endeavours to transfer you to a suitable replacement programme for which you are qualified. If you are unhappy with the replacement programme provided by the Institution or if the Institution is unable to provide a suitable replacement programme, you may cancel the Contract and withdraw from the programme without incurring any further liability for tuition fees and you shall be entitled to a refund of all tuition fees (including any deposit) paid to date.
- 18.6 If you choose to cancel the Contract (and withdraw from your programme) in accordance with this Clause 18 the Institution will use reasonable endeavours to assist you in finding an alternative comparable programme with another Higher Education provider in the UK.

19. Changes to your supervision and/or support for your research study

19.1 This Clause relates to changes made to doctoral programmes. If you are an applicant for a taught programme, please refer to Clause 18.

19.2 Change in or withdrawal of suitable research expertise and/or support for your doctoral research study prior to registration

19.2.1 If, prior to registration, suitable research expertise and/or access to additional research skills and methods training changes or becomes unavailable, the Institution may be forced to amend or withdraw an offer of study on a doctoral programme.

If this occurs, you will be notified as soon as possible and the Institution will endeavour to identify alternative research expertise and/or access to alternative research skills and methods training. If you do not wish to accept the proposed alternative arrangements or if the Institution is unable to provide suitable research expertise and/or research skills and methods training you may cancel the Contract and withdraw from the doctoral programme without any liability for tuition fees (even if the cancellation period referenced in Clause 16.1 has expired).

19.3 Change in support for your doctoral research study after registration

19.3.1 If after you have registered to study on a doctoral programme there is a change in support, such as co-funding through third party contributors and collaboration with industrial partners, or there are intellectual property or research integrity matters arising that you reasonably believe will prejudicially affect you, you may either cancel the Contract and withdraw from the doctoral programme without any liability to the Institution for tuition fees or transfer to such other doctoral programme (if appropriate) as may be offered by the Institution, for which you are qualified.

19.4 Withdrawal of suitable research expertise and/or support for your doctoral research study after registration

19.4.1 If, after you have registered to study on a doctoral programme, circumstances change which lead to the Institution no longer being able to offer you suitable research expertise in line with your programme, in such circumstances you may either cancel the Contract and withdraw from the doctoral programme without any liability to the Institution for tuition fees or transfer to such other doctoral programme (if appropriate) as may be offered by the Institution for which you are qualified.

19.5 If you choose to cancel the Contract (and withdraw from your doctoral programme) in accordance with this Clause 19, the Institution will use reasonable endeavours to assist you in finding alternative comparable research expertise with another Higher Education provider in the UK.

20. Termination

- 20.1 The Institution reserves the right to terminate the Contract and withdraw you from the Institution:
- a. if, in accordance with <u>Senate Regulation 19: Assessment Regulations</u>, the Assessment Board determines that you have failed your programme. You should also note that your progression on your programme and your final award are not guaranteed and are dependent upon your academic performance;
- b. for non-registration, for non-payment of tuition-related debt, or for inadequate attendance or academic performance on your programme, in line with the information contained in your programme handbook and with the relevant policies and procedures (see Senate Regulations; Quality Manual);

- c. if you are considered to have breached the Institution's <u>Senate Regulation 13: Student Disciplinary Regulation</u>;
- d. if, in accordance with Clause 7, you are no longer able to demonstrate that you have a valid immigration status, if you have not complied with the conditions of your visa required for you to carry out your studies and/or, in the Institution's reasonable opinion your acts or omissions could reasonably put the Institution's Tier 4 Sponsor status at risk.
- e. If, in the case of programmes which are regulated by professional statutory and regulatory bodies, you are deemed unfit to practise by a Fitness to Practise Panel. This could be as a result of a Cause for Concern referral or a disclosure via the Disclosure and Barring Service. Further information can be found in the Fitness to Practise Policy.
- 20.2 If you have been withdrawn from the Institution, you will no longer be entitled to attend lectures, classes or seminars, use the Institution's facilities or services, submit assessments, take tests/examinations, or proceed to any degree, diploma or other award of the Institution. You will also cease to be a member of the Students' Union and will therefore be unable to participate in clubs, societies or other activities associated with the Students' Union. To the extent that you are engaged in any procedures of the Institution or the Office of the Independent Adjudicator for Higher Education (OIA) associated with that withdrawal, you may be entitled to the support services offered by the Students' Union Advice Service.

21. Liability

- 21.1 The Institution takes all reasonable care to ensure the safety and security of its students whilst on the Institution's campus, however the Institution cannot accept responsibility, and expressly excludes liability, for loss or damage to your personal property (including computer equipment and software). You are advised to insure your property against theft and other risks.
- 21.2 The Institution shall not be held responsible for any injury to you (financial or otherwise), or for any damage to your property, caused by another student, or by any person who is not an employee or authorised representative of the University.
- 21.3 The Institution shall not be liable for failure or delay, or for the consequence of any failure or delay to perform any obligations under the Contract if such failure, delay or the consequence of such failure or delay is caused by any act or event beyond the Institution's reasonable control ('Force Majeure Event') including but not limited to:
- a. acts of God;
- b. strikes, lockouts or other industrial action or disputes involving our workforce or any other party;
- c. national emergencies, war, act of terrorism (including actual, suspected or threatened act of terrorism), explosion, protests, riots;

- e. actions or the lack of actions of placement providers;
- f. actions or the lack of suppliers or subcontractors;
- g. staff illness or because a staff member leaves;
- h. weather disruption, fire, flood, storm.

If the Institution is the subject of a Force Majeure Event, it will take all reasonable steps to minimise the disruption to your studies as set out in City's <u>Student Protection Plan</u> (Clause 17).

- 21.4 Please note each of the provisions above is separate and severable. Accordingly, if any court or body or authority of competent jurisdiction finds any such provision to be illegal, unlawful, void or unenforceable this will not affect the remainder of those provisions which will continue in full force and effect.
- 21.5 Nothing in these Terms and Conditions shall limit the Institution's liability to you for fraud or wilful default or for death or personal injury caused by the Institution's negligence. Subject to the foregoing sentence, the Institution shall not under any circumstances whatsoever be liable to you for any special, indirect or consequential losses.
- 21.6 Subject at all times to Clause 21.5, our liability to you under the Contract shall under no circumstances be greater than the total tuition fees due in respect of your programme.

22. Intellectual Property and research integrity

- 22.1 Where you generate Intellectual Property (IP) during your studies or research at City, you will generally be the first owner of that IP. However, City will own the IP in circumstances where:
 - a. the terms and conditions of your Offer (for instance, a research degree undertaken with an industrial partner) specify that the IP will be owned by City or a third party;
 - b. the IP is generated together with City employees, or the IP builds upon IP previously generated by City employees;
 - c. the student is also a City employee.
- 22.2 For all the necessary detail around intellectual property ownership, all students are asked to refer to the Institution's <u>Intellectual Property Policy</u>. Students are also asked to refer to the Institution's published information on <u>Research Ethics</u> and to the <u>Framework for Good Practice in Research</u>.

23 General

- 23.1 The terms of the Contract shall only be enforceable by you and the Institution.
- 23.2 The Contract constitutes the entire agreement between you and the Institution in relation to its subject matter.

- 23.3 No failure or delay by the Institution or you to exercise any right or remedy provided under the Contract or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the exercise of that or any other right or remedy.
- 23.4 If any provision or part-provision of the Contract is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. If such modification is not possible, the relevant provision or part provision shall be deemed deleted. Any modification to or deletion of a provision or part provision shall not affect the validity and enforceability of the rest of the Contract.
- 23.5 The courts in England and Wales will have exclusive jurisdiction to settle any dispute or claim arising out of or in relation to the Contract and that in any such proceedings these Terms and Conditions and the Contract into which they are incorporated will be governed by and interpreted in accordance with the laws of England and Wales.
