Research Student Induction Day
Schedule of Events
Wednesday 05 October 2016
Northampton Suite, Room A, B &C

Registration
Registration is the process by which you are enrolled as a student on your programme of study. As well as confirming your membership of the City, registration enables you to gain access to our buildings and facilities, including the Library and Information Services.

8.30 Registration
You are invited to collect your ID cards from the Northampton Suite prior to Induction commencing.

Induction
Induction is open to all research students across City and to those studying for a research degree at one of our validated institutions. It is the first institutional event of the academic year designed to help strengthen the City’s research student community.
