This is City.

Open Evening Guide
6th February 2019

5pm to 7.30pm
Welcome to City

City, University of London is a unique place to study. With skill and dedication, we have been delivering education, research and enterprise that transforms the lives of our students, our community and the world for over a century.

We are delighted to welcome you to our Postgraduate Open Evening. City, University of London is a leading global university and a member of the University of London. We have a strong tradition of expertise in postgraduate education and are the only university in London to be both committed to academic excellence and focused on business and the professions.

Our Open Evening is a great way to learn more about our postgraduate courses and discover all the benefits of studying at City. In this guide you will find details of all the talks, tours and information areas. At the back you will find maps of our campus. Staff and Student Ambassadors will be around campus to help you find your way and answer your questions.

We hope the event will help you make an informed choice and we look forward to welcoming you among our postgraduate students.

From 5.30pm, for all courses (including those where there is no subject-specific talk shown on the planner above) there will be an information stand where attendees can talk to academic staff and student ambassadors about their course of interest.
Planning your evening at City

City’s Postgraduate Open Evening is held at the University’s main campus, around Northampton Square. Student Ambassadors will be around campus throughout the evening; they can help you find your way and they also run our campus tours.

Travel information
City is located in Central London and has excellent transport links. Our nearest London Underground stations are Angel (Northern Line) and Farrington (Circle Line; Hammersmith & City Lines; Metropolitan Line and National Rail Services). Both stations are approximately 10 minutes’ walk from Northampton Square.

There are numerous bus routes which run by Northampton Square, including the following: 4, 19, 30, 38, 43, 55, 63, 153, 205, 214, 243, 274, 341, 394, 476.

For further information on public transport in London, please visit www.tfl.gov.uk

Parking in Central London is expensive and we recommend using public transport where possible. However, if you do plan to arrive at City by car, please visit www.ncp.co.uk to find details of convenient car parks. City is unable to provide parking on campus.

At the back of this guide you will find a map of our campus and the local area.

Arrival
When you arrive at City, you will be able to register at our two main entrances, College Building (A) and University Building (B). Please make sure you bring your barcode registration email with you for fast-track registration when you arrive; you will be given a wristband and welcome pack once you have registered.

Campus tours
Campus tours, which run every 20 minutes throughout the evening, are a great way to get your bearings. They are run by our Student Ambassadors and take approximately half an hour. You will visit the Student Centre, the Careers Service, the Library, CityBar and the Students’ Union.

It can also be helpful to wander around campus yourself: if you get lost, a Student Ambassador will always be close at hand to help you find your way.

Agenda
During the Open Evening staff and Student Ambassadors will be based in the dedicated School areas to answer your questions and chat to you about your course(s) of interest. You can also visit the student support area to chat to staff from Accommodation, Careers, Finance and Library to find out more about support and services available to City’s students.

There are a range of talks related to different subject areas and student support which will give you an overview of what City has to offer. Some departments will be running guided tours of the dedicated labs which complement these talks.

The following pages detail the full schedule of talks and activities to help you plan your evening.

Student finance
Tuition fees differ according to the course you have chosen to study, whether you are a home/EU or international student and the level of qualification. The student finance team can offer advice. Visit the student finance stand in The Pavilion, University Building (B).

How we support our students
Below we have highlighted all the student services that we think you should see on your visit to City. You’ll see these services if you go on a campus tour. Or you can visit the information stands for each of these services in The Pavilion, behind the main entrance of the University Building (B).

Student Centre
The Student Centre, located in the University Building (B), can offer advice on accommodation and finance. A member of the Learning Success team, which looks after disability, dyslexia and academic learning support matters, will also be available in The Pavilion, University Building (B).

Accommodation
City offers a variety of accommodation options and support services for postgraduate students. The Accommodation team, based in the Student Centre, can assist you to find suitable accommodation in our halls of residence – located within easy traveling distance from the main campus – or in private accommodation for the duration of your postgraduate study.

At the Open Evening you can find out more information about the range of accommodation options by visiting the Accommodation stand in The Pavilion, University Building (B).

Student Centre
The Student Centre, located in the University Building (B), can offer advice on accommodation and finance. A member of the Learning Success team, which looks after disability, dyslexia and academic learning support matters, will also be available in The Pavilion, University Building (B).

Accommodation
City offers a variety of accommodation options and support services for postgraduate students. The Accommodation team, based in the Student Centre, can assist you to find suitable accommodation in our halls of residence – located within easy traveling distance from the main campus – or in private accommodation for the duration of your postgraduate study.

At the Open Evening you can find out more information about the range of accommodation options by visiting the Accommodation stand in The Pavilion, University Building (B).

Careers Service
The Careers Service offers guidance to City applicants and students from day one. Our Service provides resources and appointments, skills sessions and employer events.

Alongside information about career planning, you can find out more about opportunities for professional mentoring and community volunteering, provided by our Student Development team. You will be able to discuss your options with the careers team as they help you evaluate your career goals and plan the steps you need to take to achieve your aims. In addition to this, you can also build your skills and experience while studying at City, through part-time experiences offered through our on campus temporary recruitment agency Unitemps.

Library Services
The library is located in the University Building (B). Library staff will be available during the evening to answer your questions and show you the state-of-the-art resources and facilities.

Library Services offer a huge range of resources to support your studies at City. Our printed collections are complemented by a vast portfolio of online resources (e-books, e-journals and specialist databases).

Opening hours are extensive and help is available from our specialist staff in person and online.
School of Arts & Social Sciences has a world class reputation for dynamic, inspiring and rigorous postgraduate education. Academic staff at the School are highly regarded in their fields and the research they undertake regularly informs academic debate and political policy at a national, regional and international level.

Contact us
Email: smcsepg@city.ac.uk

*Staff from Professional Liaison Unit (PLU) will be on hand to advise on internships, placements and work-based learning available for Computer Science students.
In case of fire
Fire alarm sounders are located in all parts of the building.
On hearing a continuous alarm, please leave the building immediately by the nearest fire exit or as advised by fire wardens who are identified by their yellow high-visibility jackets. Do not re-enter the building until instructed to do so by the wardens.

Accessibility
We welcome students and guests with disabilities and will support you both as an Open Evening visitor and as a student if you choose to study at City in the future.
All parts of the University are fully wheelchair accessible.
If you require any information on access issues prior to your visit please contact us via the email address below.

If you would like any section of this publication in an accessible format, please email citypublications@city.ac.uk or call +44(0)20 7040 8631. For all other enquiries, please use the contact details below.

The information in this Open Evening Guide is accurate at the time of going to press to the best of our knowledge. However, changes can occur in the interval between publication and the academic year to which the Guide relates.
Visit www.city.ac.uk for further information, updates or changes.
