We are unable to advise on visa procedures for other countries.

### **Application check and send**

If you are making an immigration application in the UK (e.g. to extend your visa or obtain a replacement BRP) we would strongly advise you make an appointment with us to check your documents before you apply. There is no extra charge for this service.

#### **The OISC and the regulation of immigration advice**

The provision of immigration advice is regulated by the Office of the Immigration Services Commissioner (OISC). They set principles to which immigration professionals must comply in a Code of Standards and The Commissioner's Rules: <http://oisc.homeoffice.gov.uk/> Higher Education institutions are authorised under a Ministerial Order (Part V of the Immigration and Asylum Act, 1999) to provide immigration advice and services and should adhere to the OISC Code of Standards.

City, University of London is a member of the UK Council for International Student Affairs (UKCISA) and operates in accordance with the UKCISA and AISA (Association of International Student Advisers) Code of Ethics for those advising international students: [www.ukcisa.org.uk/code-of-ethics](http://www.ukcisa.org.uk/code-of-ethics)

Only the International Student Advice team are qualified and authorised to provide immigration advice to students at City, University of London. DO NOT take immigration advice from academic staff, other administrative staff or other students. If the level of immigration advice you require is beyond our competence we will refer you to appropriately qualified external legal professionals. Any consultation fees charged by external agencies would need to be met by you.

#### **Confidentiality and your data**

The Student Centre operates within the University's Data Protection Policy, as outlined in the Data Protection Act 1998 and [General Data Protection Regulations](http://www.city.ac.uk/about/city-information/legal/data-protection-notice). Further information can be found at <http://www.city.ac.uk/about/city-information/legal/data-protection-notice> . Any personal data held by the service will be securely destroyed after 7 years, and you can ask for it to be destroyed at any time.

You have the right to confidentiality when you use our service. We define confidentiality as a "circle of confidentiality" within which Student Centre members may discuss information about you, in an appropriate environment, e.g. to help resolve your case as efficiently as possible, or to assist with

staff training and development. Any information we receive from or about you will not be disclosed to others outside our team, and we cannot talk to anyone else, such as a parent or friend, about your case without your explicit permission. The only exceptions to this are:

- When you have given your explicit consent to disclose information to an individual or organisation
- Where we are required to discuss your situation with Visa Compliance staff to help resolve your query
- If you or others are in immediate danger
- If the provision of such information is required by the law
- If there is any risk to the institution's Tier 4 Licence.

We may decide it is in your best interest to contact an external organisation such as the Home Office or UKCISA for further advice or opinions about your case. We will not usually give your personal details, such as your name, when doing this, and whenever possible we will advise you if we intend to do this. However, sometimes this may not be practical and we would generally assume that by coming to us for help, you are allowing us to resolve your queries in the best way we can.

To help protect confidentiality, advice will be delivered in a private space.

The OISC requires that we keep a record of any documents we submit to the Home Office and of our interactions with students. Where possible these are held electronically. Any physical documents will be kept securely within the Student Centre. Passports and other documents that are returned to us will be locked away until you are able to collect them from us.

### **Conflicts of interest**

Under OISC rules, an adviser must not act where there is a real or potential conflict of interest between them and the client. Advisers must act objectively and in the client's best interests, even where they may hold different personal views or beliefs from the client. In such situations we would explain the circumstances fully and clearly to you. It may be appropriate to refer your case elsewhere or transfer it to another member of the team.

### **Referrals**

Sometimes we are unable to help with your enquiry as it is outside our area of expertise and training. We work closely with other services in the university such as Careers and Counselling and can signpost students to those services if appropriate.

### **Giving us feedback**

We are always keen to improve our service so would appreciate any feedback you have about your experience of contacting us. We welcome feedback by email or in person. If you have a complaint about our service please let us know and we will do our best to resolve the matter quickly. You can do this by writing directly to the member of staff concerned, or to the International Student Advice & Compliance Manager ([jelena.culum@city.ac.uk](mailto:jelena.culum@city.ac.uk)). If you are not comfortable contacting the service directly, or you have done so but do not feel your complaint has been satisfactorily dealt with, you can contact the Student Centre Manager ([Alison.Jacobs.1@city.ac.uk](mailto:Alison.Jacobs.1@city.ac.uk)).

As members of the Student Centre we participate in the WOW! Awards. If you have been especially impressed by the service you have received from a member of the team you can nominate them for an award at [www.city.ac.uk/wow](http://www.city.ac.uk/wow)
