Hello! to get a MSc title is required a Thesis project?

Yes there is a thesis project

do you provide internships ?

Yes, this is on the website. Internships are subject to application.

I would like to know about the course structure and how they would be taught if you could send me a few samples or documents regarding the subjects. That would be helpful
Hi everyone, my name’s Hassan and I’m from England. Does the course include an opportunity to work on a placement abroad?

Internship opportunities are in the UK.

Suppose I get admission for September intake, can I push the joining for Jan intake or maybe after that?

Yes you can.

When the tuition fees are to be paid?

As many of them are from a science background will they be any introduction classes regarding the subjects before going into the depth of it?

Science graduates do very well. The teaching and assessments are clear for all backgrounds.

Is there an interview after the application to be selected for the program?

We found that paper-based selection is better than interviews, so we do not interview.
