# Assessment Project: Phase 1

- Engagement from all schools
- 4 Learning Development Fellows
- Review of assessment – loading, outcomes, mapping
- Creation of a toolkit for staff

# Assessment Project: Student Focus Groups

15 students from Cass, Law, SASS and SHS

Key findings:

- Students discussed a range of activities they undertook to prepare their assessments
- Students discussion about effort to prepare assessments showed that many did not consistently take the same amount of time it was dependent upon topic and sometimes type
- Students liked getting whole group feedback and seeing where they were placed

# **Discussion Activity:**

## **What should be the focus of phase 2?**

In pairs rate which areas you think should be the focus for the second phase:

- Individual programme need
- School or institution priority
- Feedback
- Diversification of assessment

Or suggest areas
