The US loan process

The process starts when you receive the offer of a place at City University London.

Then you will need to fill out a FAFSA form on www.studentloans.gov. This is sent electronically to us when you state City University as your destination choice. Please note: our school code is G08693.

If you are male you will need to have registered for Selective Service. If you have not done so then you will need to show us proof of exemption.

Once you have accepted your university place, a financial assessment is made.

An award letter detailing what loans you are eligible for is sent to you by email.

When you receive it, you will need to decide how much of your allocation you wish to take out, and then sign and send back to us. Either by email, fax or post.

You will need to complete Entrance Counselling and sign a Master Promissory Note (MPN - one for the Stafford and one for the PLUS Loan) for the loan amount you have decided on. This can be done at www.studentloans.gov.

You will need to have fully registered before we can disburse your loans.

Once you have completed registration, loans are disbursed up to 10 days before your course starts, or within 10 working days if you arrive later.
