To participate in the scheme you must meet one of the following:

• You receive free school meals
• You expect a minimum predicted AS grades of BBB or equivalent
• Your parents did not attend university
• You have spent time in local authority care
• You have a disability.

Snapshot will take place at City, University of London. Other social and educational visits may also take place with Islington and Central London. Activities will run monthly from January to September from 4.30pm.

If you are in Year 12 and expect a minimum of three B grades for your AS Levels or equivalent, you can apply to the Snapshot scheme. It will be particularly useful if you are considering studying at university, but would like some additional support and guidance.

You will gain an invaluable insight into what university is like and the tools needed to get there. You will have the opportunity get any questions you have answered by students, lecturers, admissions tutors and careers consultants.

You need to complete an online application form with a short statement on why you want to take part in the scheme. We also need approval from your parents and school. See the application link and contact information information to the right.

Why should I apply?
If you are in Year 12 and expect a minimum of three B grades for your AS Levels or equivalent, you can apply to the Snapshot scheme. It will be particularly useful if you are considering studying at university, but would like some additional support and guidance.

What will I gain?
You will gain an invaluable insight into what university is like and the tools needed to get there. You will have the opportunity get any questions you have answered by students, lecturers, admissions tutors and careers consultants.

Where and when will Snapshot take place?
Snapshot will take place at City, University of London. Other social and educational visits may also take place with Islington and Central London. Activities will run monthly from January to September from 4.30pm.
