I would like to do Bar in 20/21

You have come to the right place!

Currently I am studying LLM international and commercial law in Greenwich University

Welcome,

Hi, I am looking to do the course part time across 2 years. I would be working full time. I wanted to ask if the part time course consists of weekend classes and if this would be an option?
We are still working on plans for September. There is a likelihood that the full-time and part-time BVS courses will have to be taught remotely.

I did not apply yet for the am I able to apply for 20/21 intake

Yes, applications are still open and can be submitted through the BVS pages of our website.

Hi everyone

Hello

We hope you found the presentation useful! We now welcome any questions you may have.

Hi everyone

Hello do you have any questions for us?

Hi, I am looking to do the course part time across 2 years. I would be working full time. I wanted to ask if the part time course consists of weekend classes and if this would be an option? The part-time course won’t be taught at weekends - it is going to be based on attending one day a week during term time (not one day per fortnight as originally planned) and you will have a choice as to which day of the week (we are waiting for the BSB to approve this change).

Hello, is there a deadline by which to apply for BVS full time?

Hi, applications remain open either until the course is full or until one month before the course begins, whichever comes first.

Hello everyone!

Hello and welcome!

If you obtained the equivalent of a first degree undergraduate abroad will you still be eligible for the £3,000 automatic scholarship?

Hi, yes, this applies to overseas degrees as well.
Also for the full time course what does the timetable look like? I would like to work alongside my degree too.

Teaching on the full-time BVS is usually scheduled over three days of the week, giving you a day for preparation and a day for CV-enhancing activities.

Hello! How long does it take to hear back when one has submitted their application?

Hi [Name], you should receive a response within 1-2 weeks of references being received.

Hi...thank you for running this. I work full time so am interested in evening and weekend sessions is this possible?

Sorry, our part-time programme is based on attending one day a week during term-time (Monday-Friday).

Hi, three questions please:

Please go ahead and ask.

Hello, Thank you for the presentation!

You're welcome! If you would like to watch it back, please click here https://youtu.be/ir7ynQkry0k

So is there a possibility we will not have a chance to visit the Law school until after Christmas?

We don't yet know when the campus will re-open - we have to wait for the Government to decide how and when to ease restrictions.

Ok that would be perfect. Thank you.
Hello, I was wondering when the tentative start date will be? I heard that the term dates posted on City's website differs for BVS students. I was wondering if there is a calendar for term dates specifically for BVS students?

The start dates depend on which pathway you wish to undertake. The first part of the 2 part course starts in July, but the PG Dip, PG Dip with Specialism and LLM with Specialism start in September.

Hi! I’m currently doing an MA Law course at ULaw, which I’ll finish in January. How soon can I apply for the BVS 2021/2022?

Hi, applications for September 2021 will open in October 2020, you can apply before you've completed your qualifying MA if you want to submit an early application.

Is this the same for the BVS in 2 parts?

Part One of the Two Part is wholly online anyway. Part Two (the skills part) is taught in the same way as the full-time BVS.

1) When is the deadline for BVS application beginning in September 2020?

Hello, we are accepting applications until the course is full or at least 1 month before it is due to start in September, so best to apply as soon as possible.

If you would like to re-watch the presentation, you will find it here - https://youtu.be/lx7vnQknv0k

**BVS Summer 2020 online events**

Chargement…

Will those part-time study days be based on a 9-5 timetable?

9-6

Earlier, the deadline for fulfilling the conditions for the BVS was 12th of July. However, due to the pandemic what is the deadline now?
Hi, this is currently still 12 July but will be reviewed along with other course arrangements, any changes will be emailed to you.

Is September the only intake? Can there be intakes in Jan?

Just September for the full-time and part-time

Thank you Sean

2) Are there any full fees scholarships available from City University?

Hi, we do offer scholarships for the BVS (both £5,000 fee waivers and a smaller number of full fee awards). You will be invited to apply for a scholarship once you are made an offer.

Additionally, how long is the “first” of the two programmes (BVS + LLM)?

If you wish to undertake the full LLM pathway, the components that will result in Call are completed by April. You then start the specialisms which are taught over 7 weeks and from June onwards you focus on completing the dissertation for submission in September.

Hello, could you please provide some more detail on the structure of the program (class sizes, methods and dates of assessment etc)?

Most classes are groups of 12, save for advocacy in groups of 6 and a small number of workshops of 24. No large groups (these take the form of online lectures for all modes of study on the BVS). Assessments are spread out over the second half of the full and part-time BVS.

Do you get to choose the path (specialism and pro-bono) after you have been offered a place at City?

Yes, this takes place once after you've accepted an offer.

Do you have any student bursary for international students?

The scholarship programme mentioned in earlier questions and answers is open to all students.

Thank you for all of your questions! We are currently working through them so please be patient and refrain from reposting your questions.
Hi everyone, I'm a first class LLB graduate (I graduated last summer) im looking to do the face to face LLM. What kind of financial assistance do you offer? And can it be used in conjunction with any financial assistance received from the inns of court?

Hi, we have a guaranteed £3,000 discount for students who hold a first class undergraduate degree. We also offer scholarships of £5,000 and a smaller number of full fee awards. You can apply for these once you’ve been made an offer. Any funding can be used in conjunction with Inns scholarships.

3) What campus will the BVS be taught at? Chancery Lane or Clerkenwell?

Once face-to-face teaching is allowed to resume, the teaching will take place on the main campus of the university. A new law school building is being completed as we speak, and teaching will be in rooms designed specially for Law’s professional programmes.

I’d also be interested in finding out more about scholarships and how they are administered? (As a grant vs reduction in fees)

The scholarships operate as a fee reduction

Hello. I currently hold an offer for the 20/21 term. I am due to sit the BCAT in late July. Will I still be able to begin the course if I am unable to sit it?

Hi, we are currently waiting for guidance from the Bar Standards Board on this (as BCAT is one of their requirements), we will update students once we have it.

3) What campus will the BVS be taught at? Chancery Lane or Clerkenwell?

More info about the new law school can be found here - [https://www.city.ac.uk/applicant/law-a-new-home-for-the-city-law-school/](https://www.city.ac.uk/applicant/law-a-new-home-for-the-city-law-school/)

To clarify: The LLM with specialism includes the BVS?

Yes.

Hi everyone! Thank you for having me and a pleasure to meet you all virtually! :) I have a quick question regarding Sep 2020 entry: Considering everything that is going on due to Corona, do you know yet if you will have the regular full-time classes taking place from September? Should everything be back to normal, so to speak, by then? Thank you very much.

Hi, at the moment it is difficult for us to say what will happen in September. We are looking at different options including starting with online teaching.

What will be the duration of the bptc course including exams?

Full-time is one academic year, part-time is two academic years, two-part is one academic year

One of the main reasons I chose City was that it had the FRU as an elective.

We are still planning to offer the FRU electives

What’s the plan if in case the restriction still in place

We will ensure to keep all student up-to-date with measures put in place. We have a webpage that we are continually updating https://www.city.ac.uk/study/coronavirus-info-for-prospective-students

Coronavirus information for prospective students
Information for prospective students on the impact of the COVID-19 coronavirus pandemic on activities at City, University of London.

Since the BCAT registration process is suspended at the moment, will the University take this into account as it may not be possible to sit the BCAT before term starts?
The BSB will be handing down instructions on this shortly.

Can fees be paid in monthly installments?

Hi, fees are paid in 2 installments (full time) or 4 installments (part time). We don’t have a monthly installment plan.

Can you switch your pathway once you get an offer?

Yes, provided there are still places available and that you have not registered on the originally chosen programme (unless there are visa considerations in which case it will be earlier)

Hello

Hello! Welcome to the session

How much time in week we have to study ?

If you are on the full-time course, we expect you to devote something like 35 hours per week to your study (classes and preparation).

Thanks Sean

Hello, all. Thanks to the school for this opportunity! Is there any further word on the Bar Standards Board’s position concerning the BCAT? I’ve yet to take it.

We expect the BSB to hand down further guidance to students and instructions to providers shortly

Also, I’ve been trying to register for the BCAT but no slots available due to CV19. Can this be waived for the July start of part one of the 2part pathway?

We are waiting on guidance from the Bar Standards Board on this as BCAT is their requirement.

What will be the weekly classes schedule, like we’ll have how much classes in a week?
Hi, please refer to Peter’s response earlier in the session ‘Teaching on the full-time BVS is usually scheduled over three days of the week, giving you a day for preparation and a day for CV-enhancing activities.’

Hi, So if the program is going to be online at least until Christmas, what is the distinction between taking the two-part course or the full time? Originally the distinction was face to face classes during the first part, but is there any difference now between them?

Part One of the Two Part has been designed to be largely ‘asynchronous’ (i.e. only a small number of live classes). If the full and part time courses have to be delivered online there will be ‘synchronous’ (i.e. live) classes to replicate face-to-face ones.

How many students are there in each advocacy class?

6

The PGDip with LLM is basically BPTC LLM right? - sorry getting used to the changed terms

essentially yes!

And also, for the LLM BVS can we do both the Dissertation and the FRU modules or do we have to choose?

You would choose either the dissertation or the pro-bono route.

for the bvs with specialism when do we get to choose which modules?

Yes, you decide which specialism you want to take and then choose modules from that specialism.

Hi! I’m currently doing an MA Law course at Ulaw, which I’ll finish in January. How soon can I apply for the BVS 2021/2022?

Hi applications for 2021 entry open in October 2020, and are rolling, so you will have plenty of time to apply either before or after your course

Hello - do you still need provide IELTS or Pearson cert even you already have an LLB from a UK university? Thanks

Hi, if your LLB was awarded in the UK then no, you don’t need to take any language proficiency test.
Will the face to face classes commence from September? In the video it said that normal classes will commence after Christmas, till then will it all be online classes?

Hi, we are continually monitoring the situation. Preparation is being made for online classes until Christmas but this may change. Hi, will advocacy be taught in the spring term given that the autumn term will be taught online (as said in the video)?

Still to be decided, but this current year we are doing the final advocacy assessment online, so it is possible!

Amazing... thank you guys. Look forward to seeing you all in September :) 

Thanks for joining us!

Thanks, Sean!

Thank you Lisa

Thanks Lisa. Will the winter holidays be the same according to the usual City University calendar?

Broadly yes, but do bear in mind the BVS is not taught within the usual City term structure.

Are there networking opportunities that are targeted at Part-time students?

Not specifically targeted but we are looking an events plan that doesn't just have session in the early evening

Do you know if City's postgraduate accommodation will be open if teaching is online at the start of term?
We are advising students to go through our Accommodation team as they are the best to advise. Visit https://www.city.ac.uk/study/living-in-london/accommodation or you can email them accomm@city.ac.uk

Will the face to face classes commence from September? In the video it said that normal classes will commence after Christmas, till then will it all be online classes?

We cannot be certain. It is likely that the autumn term will be taught remotely. We hope to resume face to face after Christmas but it is not certain that we will be permitted to do so.

can you confirm the course dates for the PGDip with LLM is Sept-Sept of the following year?

The LLM will run for one year, from September to the following September.

When does the PGDip with LLM begin and end?

Starts in September, compulsory Bar modules taught through to April, then the two electives to June. Dissertation handed in at beginning of the following September.

I currently hold an offer for LLM in BVS 2020-2021. Is there a possibility to defer my offer? If so, what are the condition?

You can defer a place but not an offer, this means you need to firstly accept your offer then you can confirm you intend to defer.

Hi everyone, I'm a first class llb graduate (I graduated last summer) I'm looking to do the face to face llm. What kind of financial assistance do you offer? And can it be used in conjunction with any financial assistance received from the inns of court?

Hi, The City Law School offers a range of scholarships, there's more info about criteria and amounts awarded here: https://www.city.ac.uk/study/fees-and-funding/scholarships-and-bursaries?level=postgraduate&school=%22The%20City%20Law%20School%22

Thanks Sean
Hi Peter, what is the expected study time for part-time students?

It is expected to be about half of the time expected of FT students, so roughly 17-18 hours per week in addition to the classes. There may be some weeks that are heavier if there is also a mock exam to hand-in.

Why do you think City University of Law offers a better BVS/BVS + LLM programme than BPP?

Staff at City were the people who designed the original Bar course back in 1989 - our work (I was one of them!) is still being used as the blueprint for Bar training. We have a very talented body of staff, some recently from practice, others who have been educating lawyers for many years. Our ethos is that of a traditional university and our care for our students reflects that.

BVS part 1 consists of Civil Litigation & DR and Criminal Litigation, Evidence & Sentencing online. So how will City Law School assess these subjects in the exam? MCQ or Essay writing?

These subjects are examined by a centrally set exam (set by the Bar Standards Board), so all students across all law schools take the same exam. Currently these subjects are assessed through MCQs.

Why has teaching on the Part-time BVS been moved from fortnightly to weekly?

Mainly due to concerns that were raised about the lack of flexibility in having to come in on Wednesdays - the new plan gives greater flexibility because you can choose which day. It also has the advantage that you will be taught alongside full-time students, not as a separate cohort.

Hi, thank you for this session. I have a question regarding the IELTS. I completed my BCL in Ireland and my LLM in Holland both through English. Do I need to provide proof of proficiency considering I have not undertaken education in the UK?

Hi, no, there's no need for proof of English language proficiency in your case.

Will there be any assessments this Autumn for the full time course?

The first assessments are planned for after Christmas.

I am just wondering how much of the small group advocacy benefits can be enjoyed online. Of course I can understand that it can be assessed online. But are you not considering perhaps reshuffling the course so that advocacy can be taught later on during the course where there is more possibility of face to face?

You make a good point and this is something we are looking at.
Thanks Sean! That is what I meant, whether I could defer my place. If I want to defer my place to the next session, are there any requirements?

No, the only requirement is that you've accepted your offer!

Hi Chris, there is nothing on that webpage to do with scholarships https://www.city.ac.uk/study/fees-and-funding/scholarships-and-bursaries/level=postgraduate&school=%22The%20City%20Law%20School%22

Hi Aida - please try - https://www.city.ac.uk/study/fees-and-funding/scholarships-and-bursaries/the-city-law-school-scholarship-for-academic-excellence

The City Law School Scholarship for Academic Excellence
Up to 100 awards of £5000 (LLM) and £3000 (LPC/LLM) available to students across The City Law School postgraduate and professional programmes.

Just to confirm on the Part-time LLM would you have to stick to the same attendance day every week, or could you attend on Wednesday one week and Monday the next?

It would have to be the same day of the week, as you would be assigned to a specific tutorial group, but some swapping of classes is possible on an ad hoc basis.

If we defer a place for LLM for the next academic year, will we have to appear for BCAT and English Proficiency test again?

As long as you've already passed these and they are still valid (BCAT valid for 5 years, IELTS valid for 2 years) then there's no need to retake them.

Thank you Sean!

Great, that's really interesting and a great point Peter! This has been incredibly helpful!

When are the scholarship teams going to get back to the students who have already applied? As I think the tentative date was late April which has long passed.
Check your offer email, it will have a specific date (this differs depending on when you were made an offer) in that email and will confirm that if you do not hear back by a certain date that means the application was not successful.

Please could you post the recent video link again? I missed it due to reading the questions.

I am currently doing my LLB under the University of London (International Programmes) is there a IELTS/PTE requirement for me? (Just to reconfirm)

Yes, if your degree is awarded outside the UK you need to take IELTS/PTE or TOEFL.

Thanks Sean. Could you please confirm for how long is the TOEFL IBT - Special home admission valid for?

Hi, it's valid for 2 years.

Hi, i just wanted to know is there any deadline for deferring the offer?

No specific deadline, though it is obviously helpful for us to know sooner rather than later.

Is the £3000 award for 1st class honours student only applies to BVS and not PG dip LLM?

It applies to all BVS programmes and routes so it is still applicable if you’re taking the course as an LLM.

I wanted to know what will be the procedures to be followed once the fee will be paid?

Please see Sean’s response regarding the next steps ‘there’s nothing else you need to be getting on with at the minute! We will be emailing students with any updates over the summer so just look out for those!

Hi will City Law School offer candidates with pending Third Year results as we all know this year result will be delayed due to the current pandemic uncertainty

Good question, as this will affect a lot of people. Offers are frequently made on the basis of pending results, but your point is probably more than you may not have a final result before September. The BSB is looking at this right now (we have encouraged them to be as flexible as possible).

We have just over 10 minutes left of this session, do let us know if you have any further questions!

Are there any extracurricular activities offered by the law school? (apart from pro-bono activities)

Hi, we have lots of societies you can join, or even start your own. We have a gym - City Sport and we also have different sports teams. Some students are journalists on our Lawbore website. As we are a university, you will have access to all the extra curricular activities that our undergrads utilise.

I have a degree from the US and currently taking the graduate LLB at University of Birmingham? Do I still have to take the English requirement to gain admission?

No, you will need to be satisfied that your language skills are up to the required standard but we won’t require you to actually take a test in these circumstances.

Thank you Peter!

If the programme is to be taught online (fully), will this affect the fee structure in any way?

The University is considering this. I do know that for undergrads the fees will not be different is teaching is online.

Apologies if I have missed any questions - I am a slow typist! If you have questions that I missed or that you think of after you leave this session, you can email me (nwh@city.ac.uk)

Thank you Sean.

What is the difference between part 1 and part 2 course with full BAR BVS
The 2 part course comprises Part 1: a fully online programme for the centrally set knowledge subjects. You work your way through the modules and activities in preparation for the exams. There are limited classes. Part 2 takes place in the Spring term and covers the skills subjects. These were planned to take place face to face. The fully taught BVS (without specialisms or LLM) was to the taught face to face and through blended learning activities.

Thank you, Peter!

I saw on the school website that students can learn a language for free while studying at City. Is this option available for students on the BVS?

BVS students have access to all student facilities at City and those at the University of London (of which we are part).

Thanks Peter. If there is any change to fee structure, will we be notified before July?

I can’t promise this but I would certainly hope so.

standard  full bar BVS
Start September, compulsory module up to April, then electives; dissertation handed in following September.

It depends which pathway you take. The fully taught programme starts in September and finishes in April if you just want the PGDip. If you do the PGDip with specialism it finishes in June. If you do the full LLM pathway it finishes in September. If you do the 2 part course, Part 1 starts in July.

Will access to student facilities (such as learning a language for free) also be moved online in the event that universities are not allowed to reopen in September?

I think this is very likely.

Thanks Peter, Chris

You're welcome! Thanks for joining

We have 5 minutes left, post any final questions now.

Can I join your university as student of LLM without having English Language Proficiency so that I will study English there.

Hello are you referring to joining with the BVS with LLM programme or an LLM in general?

Are you allowed to apply for a scholarship, if you missed the deadline given in your offer email?

Please use our contact form and we can advise you about this https://www.city.ac.uk/about/contact

Are exams/assessments usually in January and April?
The exams set by the Bar Standards Board are fixed by them. Sitting in December, April and August. That's for civil and criminal litigation. The ones set locally are spread out but necessarily fall towards the end of the spring term, so yes round about April.

The 2-part pathway. I now know that the September start pertains to another programme.

First intake for Two Part is 27 July.

Can I opt for the 2-part BVS and start the first part online even though I want to do the BVS + LLM option?

If you want to do the LLM option, you should enrol on that from the outset.

Thank you
