Landmark is ranked as the number one planning, environmental and property Chambers in the UK by the top legal directories. We offer integrated advocacy and advice in five key areas:

- Planning
- Property
- Public
- Environmental
- International

We offer up to three pupillages a year with an award of £65,000 for each pupil.

Landmark holds several open evenings throughout the year, which all students in higher education are welcome to attend.

During the events, students are given the opportunity to hear from a diverse range of Chambers’ members on their areas of expertise, and to ask our Pupillage Committee questions about the application process and the structure of pupillage itself.

If you would like to attend our next open evenings on:

- 27 November 2019
- 22 January 2020
