Studying BSc Mathematics courses at City

This Online Chat session is for prospective interested in studying our BSc Mathematics, BSc Mathematics with Finance and BSc Mathematics with Finance and Economics courses. The session will be run by current students, giving you the opportunity to ask questions about your chosen course and life at City, University of London. As this is a typed chat group session, you will be able to see the answers to questions asked by other applicants.

Thank you for joining us for today’s CityChat sessions. This session is for applicants to BSc Mathematics, BSc Mathematics with Finance and BSc Mathematics with Finance and Economics courses. This session runs from 16:00 - 17:00 (GMT). This is an open chat session for you to ask any questions you have regarding these courses and life at City, University of London. During the session you may also share videos, polls or documents relating to you course.

To ask a question, please type it in the chat box. Your question will not post straight away - it will be sent to our Moderators who will type an answer back. Once their answer is complete, it will be published with you question.

Hi, I’m Maariyah and I study Maths and Finance here at City!

A Day in the Life of a Mathematics & Finance Student

I like my course because I wanted to choose a course that would challenge me and my academic skills; so far this course has done that! It has really tested my abilities to perform under pressure consistently and enabled me to grow as an individual! :)

I am really interested in some of the modules such as Finance and Investment which entails loads of equations and working with interest rates or dividends and Linear Algebra, which is pretty much algebra and mapping!

If you would like to chat with any of our student ambassadors, you can do so via our new peer-to-peer platform! Please visit www.city.ac.uk/ask-a-student to start chatting to our students now.

Ask a student
Speak with one of our current students and find out more about what it is like to study at City.

This session has now ended. Thank you so much for joining us today. If you have any further questions, please email onlineevents@city.ac.uk.
