

BSc (Hons) Radiography (Radiotherapy and Oncology) – Core Booklist

Anatomy

Tortora GJ and Derrickson B (EDs) (2014) **Principles of Anatomy and Physiology**. J Wiley and Sons ISBN 978-1-118-80843-6 (15th edition available soon)

The Department of Radiography will purchase the on line version of this book for you (called WileyPlus) as you will use the on line version on a weekly basis to complete reading assignments and multiple choice tests. You may therefore wish to wait before purchasing this book until you have tried using the on line version

Oncology

TOBIAS,J. and HOCHHAUSER,D. (2015) **Cancer and It's Management. 7th Edition**. Wiley Blackwell. ISBN-13: 978-1118468739
[This is also available as an e-book via the University library.](#)

SYMONDS, P.; DEEHAN, C.; MEREDITH, C.; MILLS, J. (2012) **Textbook of Radiotherapy. Radiation Physics, Therapy and Oncology. 7th edition**. Churchill Livingstone. ISBN 9780443074868

Cancer management and Radiotherapy technique

SYMONDS, P.; DEEHAN, C.; MEREDITH, C.; MILLS, J. (2012) **Textbook of Radiotherapy. Radiation Physics, Therapy and Oncology. 7th edition**. Churchill Livingstone. ISBN 9780443074868

TOBIAS,J. and HOCHHAUSER,D. (2015) **Cancer and It's Management. 7th Edition**. Wiley Blackwell. ISBN-13: 978-1118468739
[This is also available as an e-book via the University library.](#)

Radiographic Anatomy

BRIDGE,P.; TIPPER,D.J. (2017) **CT Anatomy for Radiotherapy. 2nd edition**. M&K Publishing ISBN: 9781910451090
[This is also available as an e-book via the University library.](#)

MOELLER, B.T.; REIF, E (2010). **Pocket Atlas of Radiographic Anatomy. 3rd edition.** Thieme ISBN 978-3137842033

Radiotherapy physics and equipment

CHERRY, P.; DUXBURY, A. (Editors). (2009) **Practical Radiotherapy Physics and Equipment. 2nd edition.** Wiley Blackwell ISBN-10:1405184264
[This is also available as an e-book via the University library.](#)

SYMONDS, P.; DEEHAN, C.; MEREDITH, C.; MILLS, J. (2012) **Textbook of Radiotherapy. Radiation Physics, Therapy and Oncology. 7th edition.** Churchill Livingstone. ISBN 9780443074868

Radiotherapy planning

BARRETT A, DOBBS J, MORRIS S.L and ROQUES T (2009)
Practical Radiotherapy Planning. 4th edition. Hodder Arnold ISBN-10: 0340927739
[This is also available as an e-book via the University library.](#)

SYMONDS, P.; DEEHAN, C.; MEREDITH, C.; MILLS, J. (2012) **Textbook of Radiotherapy. Radiation Physics, Therapy and Oncology. 7th edition.** Churchill Livingstone. ISBN 9780443074868

Patient care within radiotherapy

FAITHFUL S and WELLS M (Editors) (2004) **Supportive Care in Radiotherapy.** Churchill Livingstone

SYMONDS, P.; DEEHAN, C.; MEREDITH, C.; MILLS, J. (2012) **Textbook of Radiotherapy. Radiation Physics, Therapy and Oncology. 7th edition.** Churchill Livingstone. ISBN 9780443074868

Radiotherapy Imaging

Timmerman R, Xing L (2010). **Image Guided and Adaptive Radiation Therapy.** Lippincott Williams & Wilkins
[This is also available as an e-book via the University library.](#)

BORTFELD, T.; SCHMIDT-ULRICH,R.; DeNEVE,W.; WAZER,D.E. (2005)
Image-Guided IMRT: Concepts and Clinical Applications. Springer ISBN-
10: 354020511X

[This is also available as an e-book via the University library.](#)
