Biology textbooks

Please review the Pre-course reading: *Orientation to the Human Body: The Organisation and General Plan of the Human Body*. **You should complete this workbook prior to the start of the course.**

The websites below will provide an insight into the anatomy and functioning of the human body. This will help you understand the rationale underpinning Fundamental Aspects of Care.

BBC <http://bbc.co.uk/science/humanbody>

Virtual Body <http://medtropolis.com/virtual-body/>

Inner body <http://www.innerbody.com>

On commencement of the programme you will be advised of suitable books for use throughout your programme.

Online Resources

The University library is also a valuable resource for reading materials, please view our website. You can view the subject guide for Adult Nursing, where you will find many useful library resources in one place at <http://libguides.city.ac.uk/nursing>.

You will receive an orientation to the library with your subject librarian during the induction period.
