Research Student Induction Day
Schedule of Events
Tuesday 20th March 2018
Northampton Suite, Room C

Induction
Induction is open to all research students across the University and to those studying for a research degree at one of our validated institutions. It is the first institutional event of the academic year designed to help strengthen the City's research student community. If you have not already registered, please go to the Student Centre and collect your ID card prior to Induction commencing.
